Authentic Italian-style salami, over 10 years in the making

Crafted with care just miles from the heart of New York's Finger Lakes, Josef Brunner's new Italian salamis **blend Old World tradition with artisanal excellence**—perfected over 10 years of trusted partnership between two family companies led by the friendship of Josef and Danny Wegman.

Inspired by **time-honored Italian recipes taught by master salami makers,** each variety ages slowly for at least 12 weeks under the watchful eye of Josef himself, who adjusts conditions to ensure every batch reaches peak flavor and texture. Never rushed. Never compromised. **It's a true labor of love and more delicious than ever.**

THE KING *of cheeses*

Known as the king of cheeses, our Parmigiano Reggiano is a household favorite, **celebrated for its nutty, sweet taste and salty caramel finish.** With a protected designation of origin, it's crafted in Italy using time-honored methods and aged to perfection for a minimum of 24 months.

Enjoy it shaved over salads, grated on pasta or paired with fresh fruits, nuts or charcuterie. For the best experience, crack off bite-sized pieces with a small knife and serve at room temperature.

Our Cheese Shops honor this renowned cheese with live wheel-cracking events. These massive 80-pound wheels are split open using three specialized tools, highlighting the **craftsmanship behind every bite.**
